

NEED TO KNOW SENIOR SPEAKER SERIES

Adults with Aging Parent Drivers

Presented by Ilona Feinstein from Lily Home Care

Join us at Danbury Senior Living for this informative presentation

Thursday, March 7th at 6:30pm

Danbury North Canton

181 Applegrove St. NE, North Canton, Ohio 44720

This one hour group presentation was developed to help the baby-boomer generation address their loved one's ability to drive safely. We provide a road-map to help families confront the issue with compassion and empathy.

Presentation topics include:

- When and how should the conversations start?
- Creating a family driving agreement
- What if the senior driver still refuses to stop driving?
- How to facilitate a smooth transition from the driver's seat to the passenger seat
