

Quarterly Conversation

The North Canton Chamber and AultCare present a *Quarterly Conversation Luncheon* featuring Kim Kucinich, Certified Life Coach, on **“Resilience”**

Monday, September 11 • 11:45 AM - 1:15 PM
Arrowhead Golf & Banquet Center
\$20 Per Person

Join us as Kim provides practical and proven strategies to enable you to master the resilient mindset to adapt more quickly when things don't exactly go as planned or the unexpected happens.

In today's fast paced and dramatically changing world, people increasingly can feel overwhelmed by the sheer pace of life. With no sign of that change slowing down anytime soon, the relentless demands result in long hours and conflicting priorities. Increases in stress and sickness, and lack of engagement and productivity, have organizations re-thinking their approach to supporting and developing their workforce.

Resilience is rapidly appearing on many corporate agendas, being recognized as one of the top critical business and life skills of the 21st century. We are not all born with it, we learn, develop and build it over time to face life's challenges. What got you here, won't get you there! New tools for the tool box are needed and employers are seeing it for themselves and their workforce.

Please RSVP by Friday, September 8
