North Canton Chamber of Commerce Membership Ambassadors

WHAT ARE MEMBERSHIP AMBASSADORS?

Ambassadors are a dedicated group of North Canton Chamber of Commerce members who volunteer their time to foster and promote the goals of the chamber to our membership and the community. Ambassador members act as volunteer liaisons between new and prospective members and the chamber board of directors and staff.

The mission of the ambassadors is to effectively promote membership in the chamber and to new and prospective members in an effort to maximize their membership benefits. Ambassadors achieve this mission by attending chamber events, ambassador group meetings, and maintaining awareness about chamber events and programs to share with others.

Ambassadors welcome new chamber members, regularly visit and call current chamber members, assist members with networking opportunities, and generally act as the welcoming committee for the North Canton Chamber of Commerce. Ambassador members help host ribbon cuttings, grand openings and volunteer at business mixers and major chamber and community events.

Through periodic visits and phone calls to new and existing members, ambassadors gain a better understanding of members' business needs and assist the chamber in developing services to meet those needs.

WHY BECOME AN AMBASSADOR?

Benefits of serving as an ambassador include:

- Increased visibility of your business/organization through chamber activities
- Leadership opportunities within the chamber and community
- Recognition at events and internal meetings
- Ambassador of the year recognition opportunity
- Official chamber ambassador nametag
- Official chamber ambassador business card

WHEN ARE AMBASSADOR MEETINGS?

The ambassador committee meets the first Wednesday of each month at the chamber from 4-5 p.m. Monthly meetings include chamber updates and news as well as the benefit of chamber programs and networking opportunities.
